Rapid Re-housing/Permanent Supportive Housing
Pre-Application (Due Date: May 1, 2019 by 5:00 PM)**

Continuum of Care (CoC) Overview

The Housing and Urban Development (HUD) CoC Program is authorized by the McKinney-Vento Homeless Assistance Act and is designed to:

- Promote a community-based solutions to ending homelessness;
- Provide funding to nonprofits, States, and local governments to prevent and quickly re-house individual and families experiencing homelessness;
- Minimize the trauma and dislocation that individuals, families, and communities experience as a result of homelessness; and
- Promote the effective utilization of mainstream resources

Localities across the country and within Virginia have organized into CoCs to develop community-based solutions and to apply for HUD CoC funding. A CoC is a community-based group composed of representation from a cross-section of providers, community entities, representatives of mainstream resources, and individuals from one or more locality that have joined together for these purposes. There are 16 separate CoCs in Virginia. The Balance of State (BOS) is one of these 16 CoCs.

The BOS CoC is a large Continuum that includes a significant number of rural communities as far east as the Eastern Shore of Virginia stretching to Southwest Virginia. As a result the BOS CoC is organized into smaller local planning groups that meet regularly and work to address local needs.

CoC Application Process

This application process is specific to the Virginia BOS CoC application. The BOS CoC application process consists of the following components:

- Registration
- Pre-Application (for new re-allocated projects)
- Pre-Application Evaluations and Feedback
- Notification of Funding Availability (NOFA)
- CoC Application
- Project Applications
- Project Ranking

Pre-Application

All parties interested in submitting an application for a new project MUST submit a pre-application to DHCD prior to **May 1, 2019** at 5:00PM (***subject to change with the release of the NOFA***). The pre-application submission must be in the format provided in this document. *Prior to submitting a pre-application grantees are encouraged to contact Andriea Ukrop, CoC Program Coordinator to discuss the project.*

Pre-Application Evaluations and Feedback

All pre-applications received by the due date will be evaluated by DHCD's Homeless and Special Needs program team. Each pre-application will be reviewed and evaluated on the following criteria:

Project eligibility –the project must be an eligible activity type (for the pre-application eligibility will be rapid re-housing or any household type and permanent supportive house for chronic only. Please note, the pre-application occurs prior to the release of the 2019 NOFA and eligibility activities may change. If projects other than rapid re-housing or permanent supportive housing are eligible once the NOFA is release, DHCD will notify the CoC and discuss the process to submit another type of project at that time.

Local need –the project must meet an unmet need within the local planning group. This must be supported by local planning data, including point-in-time count data and be considered by the local planning group to be a project consistent with meeting local needs.

Local Coordination –the project must be fully coordinated and integrated, as appropriate, within the local coordinated assessment system and linked to mainstream resources.

Project Feasibility –the project will be evaluated on its overall feasibility. This includes factors such as the status of other funding sources including, if applicable, match sources and the relative capacity of the provider and partners involved in the project.

2019 Priorities –The project will be evaluated on how well it will help to quickly transition individuals and families to permanent housing and to what degree it is aligned with identified and specific BOS priorities.

1. To reduce the number of persons who become homeless,
2. to shorten the length of time persons are homeless, and
3. to reduce the number of persons that return to homelessness.

Please note that each project's outcomes and housing focus will impact the overall HUD CoC application score and future funding levels.

Only projects that are submitted through the pre-application process are eligible HUD new project applications. Written feedback will be provided on each pre-application. Only projects submitted through the pre-application process regardless of feedback may be submitted as a HUD CoC new project application. Applicants may also request a technical assistance meeting for further guidance. Please contact Andriea Ukrop at andriea.ukrop@dhcd.virginia.gov

Registration

DHCD, the lead organization, and each organization that is eligible to submit an application for the HUD CoC competition must register their organization in [eSnaps](#)

Notification of Funding Availability (NOFA)

The BOS CoC intends to conclude the pre-application process including the written evaluations prior to the release of the 2019 NOFA (if possible). However, the specific release date is unknown as of the last revised date of this material. The NOFA will provide the HUD required process for the HUD CoC application including the application deadline. It will also specify eligible projects and HUD priorities. The 2019 BOS funding priorities are based on current state and federal homeless goals and should not vary with the 2019 NOFA.

CoC Application

The HUD CoC competition includes two primary parts:

- The CoC application
- Project applications (s)

The CoC application, formerly known as Exhibit 1 is completed by the BOS CoC lead organization, the Department of Housing and Community Development (DHCD). This will include information about the CoC planning body (steering committee), governance structure, overall CoC performance, and the strategic planning process. This portion is scored by HUD and has impact on the amount of funding awarded through the overall process.

Project Application

All parties interested in submitting a project application for a new project must submit a pre-application to DHCD prior to May 1, 2019 at 5:00PM.

Renewal and eligible new projects are completed in eSnaps by the project applicants.

Once the NOFA is released and eSnaps is open, renewal and new projects will receive further instructions from DHCD for completing their project renewal application.

The project application includes a description of the proposed project including details on who the project will serve, the type of housing that will be provided and what budget activities are being requested. All project applications must be entered into eSnaps by the due date (TBD) in order to be ranked and not rejected by the CoC ranking committee.

Project Ranking

The ranking committee composed of the Homeless and Special Needs Housing Program team members and LPG members will review all project applications meeting deadline requirements. Projects will then be ranked by the committee based on BOS funding priorities. The project rankings are then reviewed and approved by the Steering Committee. Applicants will receive notification of the outcome of the project ranking prior to the HUD specified deadline. Appeals to the ranking committee decisions must be received in written within ten days of notification. All appeals must be on letter letterhead signed by the authorized authority for the applicant organization.

2019 BOS Funding Priorities

Overall the BOS CoC funding priorities are to:

1. Increase rapid re-housing resources
2. Increase the number of permanent supportive housing units – where data supports the need for chronic homeless units
3. Focus on housing
4. Continued planning and coordination

Rapid re-housing projects for **Individuals or Families** will be a priority for the 2019 CoC application. These are projects that emphasize housing search and relocation services and short – and medium term rental assistance to move people experiencing homelessness as rapidly as possible into permanent housing.

Permanent supportive housing (for chronically homeless **Individuals or families**) – will be a priority for the 2019 CoC application. This is community based housing paired with services for formerly homeless individual and families with disabilities living as independently as possible without a designated length of stay. Please note that the emphasis for new programs is on chronically homeless individuals.

Focus on housing –new rapid re-housing and permanent supportive housing projects will a significant focus on housing will be given a priority. These are projects where the HUD funding request is primarily for the housing component of the project.

Planning and coordination resources - CoC responsibilities have grown since the Hearth Act regulations have been enacted. These responsibilities include but are not limited to the implementation of performance measures and a coordinated assessment system. As a result new project funding applications for planning and coordinated assessment will be submitted by the CoC lead agency.
